ABOUT US

Our Story

At Golden Hour Coffee, we know that drinking coffee is not just about having a beverage. Our coffee beans are sourced and harvested ethically from our partner farms and then roasted to perfection to produce the richest tasting notes possible.

Whether it is a morning coffee to get your day started off right or an evening brew to wind down and catch up on some conversation, Golden Hour Coffee is here for you.

Ethical Sourcing

We partner with farms that prioritize sustainability.

Fresh Roasting

Small batch roasting ensures peak freshness.

Premium Quality

Carefully crafted for rich, smooth flavor.
